Illtherto all ships, before coming to their piers, have been required to wait until the boarding officer boarded them from a revenue cutter and gave them a temporary entrance permit, without which they had no right to unload pas-

sengers or cargo.

After August 1 all cargo ships will proceed directly to their berths, where inspectors assigned to the ten inspec-tion districts will board them.

Passenger ships will be met down the bay by a revenue cutter carrying customs inspectors, who will board them solely to examine passengers' declarations before reaching the piers.

The regimental bands formed in the company streets, and, although rain was then falling, several hundred of the boys fell into line, and walked to the grove. As the first prayer began, off came the sheltering hats, and the millitamen joined heartily in the service. Not a sound interrupted the an active worker in the Sunday school, where he teaches a Bible class of 159 members. Dr. Cook married in Lexington, Ky., and they have two children. The congregation of the local church has decided to sell the present parson-age property on High Street, and erect a modern building nearer the church.
